

### What will I need?

A selection of different sized pots and pans

A large spoon

## 3 fun activities using pots and pans

**Activity 1.** Water Fun – lay a large towel on the floor, pour some water in the pot and hand over a ladle. Put another pot next to it so your little one can transfer the water from one pot to the other.

**Activity 2.** Set up an array of turned-over saucepans, give him/her a wooden spoon and let the music begin.

**Activity 3.** Hide the Animal – Place the pots around the room upside down. Place the pots around the room upside down. Pick a small stuffed animal and hide it under one of the pots. Now encourage your child to search for the missing stuffed animal.
