

Use recycled bottles to create your own skittle bowling game

You will need:

- .5-10 clear empty plastic bottles
- .A small ball

To decorate the bottles:

- .Paint
- .Felt tip Pens
- .Sticky tape
- .paper

1. Clean the 10 plastic bottles thoroughly using warm soapy water.

2. Remove lids from the bottles, pour 150mls of water in to each bottle.
Once finished Put the caps back on all of your bottles and make sure that they are tightly secured.

3. Decorate the bottles.

Now you are ready to play.

4. Place the bottles in a "V" shape on the floor.
Stand back, and roll the ball towards the bottles.
