

PARENT CHAMPION PROGRAMME

We are looking for people to spread the word about what support is available to families in your area. As a parent we think you are the best person for the job and can include your own positive experiences.

If this is you; interested in becoming a volunteer, enjoy meeting people out and about and can spare a few hours a week, for a minimum of 6 months,

please come along to both our training days.

(You can even take your own children with you when you volunteer!)
