

# Southwark Digital Inclusion Hubs

**Free drop in - to get face to face generic digital support including advice & assistance on how to create a UKVI account.**

Please note, we do not give any immigration advice.

Digital hubs provide:

- free basic internet skills training for residents
- free use of Wi-Fi and devices
- support in completing online forms and applications
- advice and guidance in how to get cheap broadband and internet data

Any interested resident can book an appointment or have an appointment booked on their behalf on the digital inclusion helpline **07783 776 066**.

Available at the following Southwark digital hubs on an appointment only basis from 3rd February 2025.

Southwark Digital hubs are based in the following locations:

- Dulwich
- Bermondsey
- Elephant and Castle
- Rotherhithe
- Walworth
- Peckham
- Nunhead
- Camberwell
