

Parents said, we did !!  
Parent Outreach and EY practitioners  
spoke with parents at parent forum and  
in sessions to hear their voices  
December 2024

**We would like  
baby groups in the  
afternoon**

Baby boogie mites  
and sensory group  
in the afternoon  
at Rotherhithe  
starting January

**Days out /fun days  
for the children  
with SEND**

Grant  
application  
submitted in  
January 2025

**Information on the  
walls for children  
of all ages**

Review  
community  
engagement  
boards to  
incorporate  
all age groups

**Parents are worried  
about safety in the  
community**

Community  
police have  
been invited to  
the next parent  
forum

**More baby  
massage groups**

Currently deliver  
2 groups per half  
term with 26  
places

**Increase in referrals  
to centre with  
children who are  
experiencing  
challenging behavior**

How does the  
positive behavior  
practitioner  
support families?

## **Makaton groups or sessions**

Centre will investigate if a Makaton workshop can be delivered for parents

## **Follow on workshops for parents who attend parenting courses or workshops**

This has been shared with partners and course leads to action

## **Parents would like to see more workshops**

Fussy eating and starting solids being deliver in February

## **Information on what happens after receiving a diagnosis**

Southwark Independent voice to meet with the sensational families

## **Sharing information with parents**

Circle time to include theme, makaton information and tip of the week,

## **How did parents come to the centre?**

Parent Outreach Workers to call parents after they register.
