

A Warm Welcome aims to support new and expectant parents and families with young children to not only survive, but thrive in a safe, warm and healthy home.

This energy advice event will give:

Essential information on carbon monoxide awareness and safety

Practical tips for staying warm

Energy saving advice

Advice on recommended room temperatures

Guidance on eligibility for your energy supplier's Priority Services Register

Other valuable resources

Date/Time:

13th March 2024, 10am - 12pm

Location:

South Bermondsey Children and Family Hub
Tenda Road
London
SE16 3PN

**We look forward to giving you
a warm welcome!**

Supported by Norther Gas Networks and SGN Vulnerability and Carbon Monoxide
